Guidance for a Brighter Tomorrow

90-MINUTE ONLINE WORKSHOP

Why is My Marriage Delayed?

Dosham, Destiny or the Right Time?

Astrology | Planetary Combinations | Timing | Remedies

- I am 30, 35, 40 and still not married. Why is this happening?
- Is there any dosham or planetary combination causing delay in marriage?
- Will I get married? If yes, when? What are the possibilities?
- Should I wait or take action? What is the right time for marriage?
- Are there remedies, mantras or temple visits that can help?

Why Attend This Workshop?

This workshop is designed for unmarried individuals, parents and anyone who wants to understand marriage delay through the wisdom of traditional Vedic astrology. Get clarity, remove confusion and make informed decisions about your future.

What You Will Learn

- Why marriage gets delayed – real reasons & astrological insights
- Planets that influence marriage (Venus, Jupiter, Saturn, Mars, Rahu–Ketu)
- Marriage doshams – truth and common misconceptions
- Why good proposals get rejected or postponed
- Marriage timing (Dasha–Bhukti & planetary transits) in simple terms
- Traditional temple worship, mantras and spiritual remedies
- Practical guidance for better relationships and decisions

Real-Life Scenarios

We will discuss 3 relatable life stories (as examples, not predictions):

34-year-old woman
Educated, employed, financially independent, but proposals keep failing.

38-year-old man
Good income and family background, but still single.

Couple ready to marry
Both families agree, but the wedding keeps getting postponed.
